Caring People Serving
A Great Community

Amy's Attic Self Storage is very involved in various ways throughout our community, from our Chambers of Commerce to local schools.

Over the years Amy in the Community has been represented with our:

- **Amy's Festivals**
- **Baylor Bundle**
- **Brand of the Week**
- **Community Through Cards**
- **Package Acceptance Management**

Want to know more about what these are?

What is **Amy's Festivals** ?

A division of Amy's Attic Self Storage

Amy's Festivals supports and funds local non-profits through fun events for the community such as festivals, antique car shows and car washes.

What is **Baylor Bundle**?

Provides students and parents an end of school year, stress-free storage solution by offering a one-time payment package which includes a storage unit, boxes, packing supplies, coverage and a summer long delivery package acceptance program.

What is **Community Through Cards**?

We work with area ISDs to have students hand-make Valentine's Day and Christmas cards which are then delivered to local retirement communities and First Responders.

What is **Brand of the Week**?

A unique way to highlight, support and show pride in our communities which includes our favorite go to recommendations for services, food and fun in our area.

What is **Package Acceptance Management**?

This program answers the question of where to safely and securely ship your online orders as our staff will accept and deliver your mailed packages to your unit.
